Details on the Training and Prerequisites:

Before you come to the Training, it is important to:

1. Read the book, *SoulCollage® Evolving*, available in English, Dutch, German, and Mandarin and as a Kindle e-book in English and French. <https://hanfordmead.com/product/soulcollage-evolving/>
2. Listen to **Introduction to SoulCollage®** <https://hanfordmead.com/product/introduction-to-soulcollage-cd-second-edition/> (digital download), by SoulCollage® Founder Seena Frost.
3. **Make at least 14 cards:** Make at least 4 cards in each of Committee, Community, and Council Suits and 2 cards in the Companions Suit (14 cards is the bare minimum). The more cards you have made and dialogued with, the better you will understand the training.

4. **Experience SoulCollage®!** Lead trainer Mariabruna Sirabella has said that making cards without reading them is like preparing a delicious meal and not eating it. Enjoy your meal: use the “*I Am One Who...*” exercise with your cards yourself. And do consult your cards with a Reading (see #6 below).

5. **Take a full Introduction to SoulCollage® workshop.** The most important preparation for the training is your own personal experience of the deep potential of the SoulCollage® process in community.

Take a local or online introductory workshop. Check out EVENTS here at World of SoulCollage® <https://community.soulcollage.com/events> for workshop listings by trained SoulCollage® Facilitators. Make sure it covers all the basics of SoulCollage®. To be prepared for the training you must learn about all four suits, the transpersonal cards, and key concepts of the process like the One and the Many, and Both/And.

See the full list of what to look for here:

<https://community.soulcollage.com/posts/soulcollage-facilitatortraining-prep-what-to-look-for-in-an-introductory-course>

- **Sign up for a free trial Personal Journey Membership** at World of SoulCollage® to connect and learn with our community. Enjoy monthly 90-minute Zoom workshops, live events, and topic discussions.

6. **Do a SoulCollage® Reading**, by asking a question of your cards and letting four cards randomly chosen from your deck answer your question. This is an exercise we will use often during the training. Come prepared and ready to learn more about diving deep into your inner wisdom. There is a chapter on how to do this in Seena Frost’s book, *SoulCollage® Evolving*.

If you decide to sign up for this Training, please schedule your time to complete these prerequisites. This is a training, not a retreat, and this preparation is necessary. You, your Trainer, and your training colleagues will appreciate that you have completed the basics before you come.

Kellie and I are looking forward to meeting you and getting started!

ABOUT YOUR TRAINERS:

Kellie McComb, Guelph, Ontario

<https://community.soulcollage.com/posts/trainer-profile-kellie-mccomb-canada>

Anyone who knows me will tell you I have a passion for art and creative expression. I took several University Courses in Art Therapy but my profession is as a minister in the United Church of Canada.

I was delighted to meet Mariabruna and learn about the creative, intuitive, self-reflection that SoulCollage® has to offer. After working with SoulCollage® for several years, in 2016 I took the Facilitator Training. What a gift to be able to share this insightful, nurturing process with friends, members of my congregation, community groups, Colleagues, Artists, Therapists, Counselors, Spiritual Directors, Nurses and a variety of people who want to be part of this wonderful global community. In 2018 I became a SoulCollage® Trainer and my passion for sharing this process continues to grow. I love the many ways SoulCollage® can give me insight into my own challenges and gifts and I am inspired by the endless ways it can be used.

Jennifer Boire, Montreal, Quebec

<https://community.soulcollage.com/posts/trainer-profile-jennifer-boire-canada>

Trained as a facilitator by Audrey Chowdhury in 2012, I became a Trainer in 2018. I am helping to build a stronger SoulCollage® community in Quebec with our regional group. I offer seasonal workshops/retreats for women, online and in person, as well as facilitator trainings. My passion is working with images, symbols, myths, poems and the sacred feminine. As a SoulCollage® facilitator and trainer, I feel honoured to offer guidance and sacred space for creative diving and inner exploration. With this tool, you can become your own oracle. Training others as facilitators adds another level to the work I do.
